

## Laying the foundations for a bright future

A little note from Mrs FitzGerald...

What a great afternoon we had on Thursday with Annie O'Neill from OM Health and Wellbeing Consultancy, focusing on our children's mental health with workshops on 'Being Happy'. The children were very engaged and thoroughly enjoyed their sessions.

Feedback from parents at both schools who managed to make the free 'Meerkat or Grizzly' sessions was also very positive.

We intend to build further enhancing sessions like these into our bespoke and personalised pastoral and PSHEE provision to enrich our children's experiences and build their capacity to regulate their feelings and be successful socially, whatever the demands of the situation.

The children also enjoyed World Book Day yesterday, sharing their favourite books as well as other activities.

Have a lovely weekend everyone!

Warm regards, Mrs FitzGerald

### School Meals ~ an update

As you know, you can choose for your child/ren to have our school meals at lunchtime, be it through choice, the government's 'universal free school meal' offer for children in Reception through to Year 2 or entitlement due to eligibility for Pupil Premium Funding.

Unlike many primary schools nationally of our size, we are fortunate to have our own well-equipped, fully functioning kitchen where Cassie, our Cook, from EATS catering, prepares our meals fresh, every day from scratch, accommodating dietary requirements and individual preferences as much as possible. Our menus and meals therein are handcrafted, regularly updated to take account of freshness and seasonality as well as source ingredients ethically.

In the last 12 months, food prices have risen tremendously. Our catering service have advised we will need to pay an additional £17,248 in the next financial year, beginning in April, to cover the shortfall between income from school meals and all costs associated with providing meals for our pupils within the Federation.

One suggestion to help reduce this shortfall is that we pass on this cost to parents, increasing the prices of meals from £2.30 (static since 2014) to £2.50. Given the present economic climate, we appreciate many of you are feeling financial pressures, therefore, the Federation's Governing Body has agreed the Federation will absorb the shortfall and maintain the cost of meals at £2.30 at the current time.

### Parent Consultation Meetings ~ Reception to Year 6

These are taking place on **Tuesday 21st March** with appointments available from 1:30pm. Parents are requested to sign up for appointments on their child's 'sign up' sheet. These will be **available from Tuesday 7th March** at the front of school.

Appointments are 10 minutes in length and focus on your child's learning and progress since the start of the year, following on from those offered in the Autumn Term and their Pupil Progress Checks in December.

Please support your fellow parents and your child's Class Teacher by being mindful of the time ~ many thanks for your support with this!
