Laying the foundations for a bright future

Website link: www.htpfederation.co.uk

A little note from Mrs FitzGerald...

Wow, this term is disappearing at a rapid rate! I am so impressed with the efforts the children are putting into their learning. Before we know it, Easter will be here and the spring term will be ending!

The children have continued to work hard this week, undertaking some assessment activities in their classes. The outcomes of these will contribute to the 'whole picture' of how they are progressing, something which will be shared at our parent consultation meetings scheduled for Tuesday 21st March.

We are looking forward to British Science Week next week as well as World Poetry Day the week after!

Fingers crossed for some warmer weather ~ this week has been rather chilly!! Enjoy the weekend!

Warmest regards, Mrs FitzGerald

A note from Mrs Price!

Just to let you know after nearly 22 years I will be leaving the school at Easter.

I have had an amazing time here having started the same day as my son who is now 26! At the time, there was a total of 43 pupils, a swimming pool and only Cherry and Oak classes existed. The older children were taught in a temporary classroom where the adventure playground now is. Other changes during that time include 2 new classrooms, 3 new offices, pupils staying here until Year 6, 6 Headteachers and federating with Thurlow school, the list goes on.....!

We now have children in school whose parents were here when I first started and their parents have become the grandparents returning to school for drop off and pick up duties, how lovely is that!

The staff at the school are brilliant and very supportive of each other and I will miss them all, especially Mrs Mitson who has to put up with me in the office when I'm trying to be grown up! The pupils at school are the icing on the cake, they make each year different and it's been a pleasure to see their journey throughout the school leaving at the end of Year 6.

So, thanks to everyone who has made my time here so special and enjoyable, I'm sure I will see many of you around the village.

Best wishes to each and everyone one of you for the future.

Angie Price

A note from Mrs Schwager!

Dear Parents and Children,

Since joining the Hundon and Thurlow Federation back in 2014, I have been lucky enough to work at both schools and have loved every minute of it! Thurlow has been my home for the last three years and as was the case at Hundon, it has been incredibly rewarding.

I will leave with some amazing memories of the children across both schools and my wonderful colleagues that I get to call friends. It has been a real pleasure to work for the Federation for the past 8 years and I have thoroughly enjoyed my time here.

Having spent the last 20 years teaching, predominately working in Early Years and Key Stage One and, taking on the role as Early Years Lead across the Federation in more recent years, I now feel the time is right for me to move onto pastures new and start a new chapter in my career. I will continue to work within Education, as it is my passion, but taking on an Early Years Advisory role within Suffolk County Council.

Hundon and Thurlow will always hold a very special place in my heart and I will miss you all.

Thank you for making me feel so welcome and for all support you have given me to help teach your wonderful children in Butterflies Class most recently, as well as leading Acom Class for 6 years!

Warmest wishes,
Mrs Schwager

STAFFING UPDATE

With this news in mind, I know you, along with myself and the Federation Team will wish both Mrs Price and Mrs Schwager the very best as they move on from our Federation.

Whilst we are currently considering various options for the maintenance of the Federation's financial responsibilities, Mrs Mitson and Mrs Sanders will continue to provide their excellent administration support at both our schools and we will be recruiting to strengthen the Federation's administration team.

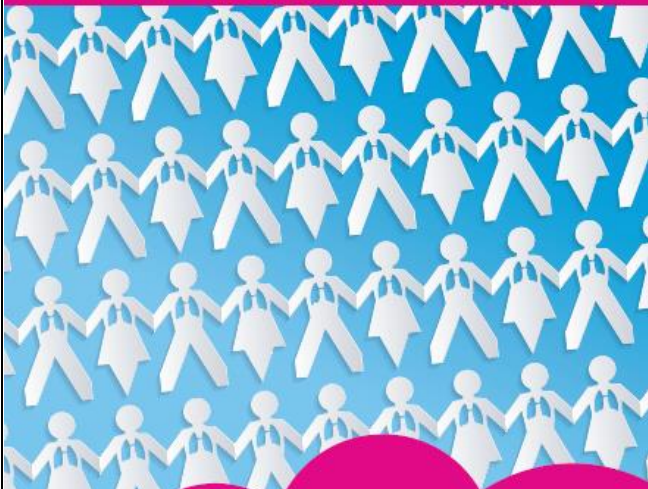

Mrs Schwager is advancing to a highly coveted (and rarely available) role within the Local Authority. It means many more settings and the children therein will benefit from her knowledge and expertise. We are very fortunate to have Mrs Read-Graves, who recently joined the Federation team with specialisms in Early Years and Key Stage One, to take over Butterflies Class Teacher responsibilities at Thurlow, working alongside Mrs Schwager for the remainder of the spring term to ensure a smooth transition for the children.

In my last staffing update, I shared we were interviewing for our new Federation Sports Instructor and I am pleased to share with you that we have appointed Miss Rachel Jeffs to the post. Miss Jeffs has a wealth of experience in sports development, fitness, PE instruction and sports coaching, including overseeing the achievement of the School Games Mark to primary and secondary schools as the Suffolk School Games Organiser for our locality previously. Whilst Miss Jeffs will be starting with us shortly, the children's high quality learning in PE will continue with Class Teachers maintaining the provision.

In order to maintain and enhance our teaching and learning provision we are continuing to recruit to add expertise and capacity to both teaching and learning support teams.

If you have any concerns or worries regarding this or any other matter please come and see me, my door is always open. Mrs F

IDLING CARS ARE AN INVISIBLE THREAT - TURN IT OFF!

**ONE MINUTE OF A CAR
IDLING PRODUCES ENOUGH
TOXIC EMISSIONS TO FILL
60 PEOPLE'S LUNGS**

Switching off engines when parked is a simple way we can help to clean the air we breathe.

Find out how you can care for Suffolk's air at: www.suffolk.gov.uk/air-quality

SWITCH OFF WHEN PARKED!

Exhaust fumes from cars are linked to increases in asthma, allergies, heart and lung disease and even cancer. Children are especially vulnerable to the effects of air pollution. It can stunt lung growth, therefore having an impact on their health for the rest of their life.

Even though children only spend 40% of their day at school, research has shown that as much as 60% of a child's exposure to pollution can be from the school run and while at school

If you need to use a car for the school run, think about switching the engine off, don't have it idling. It's better for the climate and our children.

MYTH	TRUTH
I need to run the engine to keep the heater on.	The heater should stay warm with just the ignition on for up to 30 minutes after parking.
If I'm parked on a yellow line, keeping my engine running means I won't get a fine.	Idling is against the traffic regulations so you could get a fine for idling and a parking ticket.
Doesn't stopping and starting wear out the engine?	This is no longer a problem with modern engines, and by not idling you will use less fuel and reduce your fuel costs.
But surely idling doesn't contribute very much to air pollution in the grand scheme of things?	Idling can create high pollution spikes which can affect the people who live work and go to school on that street.

SEVERE WEATHER

Every effort will be made to keep the school open in severe weather. The school would only close if it is no longer safe for staff and pupils to travel to school and be on site.

We recognise that it is important that our school remains open so parents are able to work and pupils can continue to learn. Therefore, we will make every effort to prepare for severe weather.

Information about school closure will be posted:

- On **Class Dojo**
- On local radio
- Via the Suffolk County Council website: <http://schoolclosures.suffolk.gov.uk/>
- Via our Facebook page
- On ParentMail

Parent Consultation Meetings ~ Reception to Year 6

These are taking place on **Tuesday 21st March** with appointments available from 1:30pm. Parents are requested to sign up for appointments on their child's 'sign up' sheet. These will be **available from Tuesday 7th March** at the front of school.

Appointments are 10 minutes in length and focus on your child's learning and progress since the start of the year, following on from those offered in the Autumn Term and their Pupil Progress Checks in December.

Please support your fellow parents and your child's Class Teacher by being mindful of the time ~ many thanks for your support with this!
