A little note from Mrs FitzGerald...

Gosh, I cannot believe the first half-term is drawing to a close already and we have just one week to go! We are very much looking forward to our harvest service on Wednesday; we hope to see lots of you there!

It has been a busy few weeks! The children have really been working hard across the school. I am so proud of the way they have returned and started; getting (back) into their routines, establishing and re-establishing their behaviours for learning and 'finding their feet' in general in their new classes.

I hear Oak Class were amazing in their Celebration Presentation this afternoon ~ they were so confident and had so much lovely learning to share ~ well done Oak Class!

Have a lovely weekend everyone!

Warmest regards, Mrs FitzGerald

STAFFING

Whilst our efforts with in-year recruitment continue, we are pleased to share with you our recent appointment of Mrs Julie Simpson, who will be joining the Federation in January. Mrs Simpson will work across both schools, providing additional teaching support here at Hundon within Hawthorn Class, working alongside Mrs Buckle and Mrs Budinger. Learning support will continue to be provided by Miss Peacock and Mrs Harding, who is also the school's ELSA (Emotional Literacy Support Assistant.)

Mrs Simpson is a highly skilled and experienced primary practitioner who will join us from a larger primary school in the west of the county. Mrs Simpson worked with the children earlier this week and will return before Christmas to ensure a smooth start to the spring term.

HARVEST COLLECTION

We are collecting items to donate to the Haverhill Food Bank for their food parcels as part of our harvest this year. This is worthy local charity helps families who are struggling to make ends meet, perhaps needing to borrow money for food or resorting to going without as well as those in crisis having suffered a significant change in circumstances such as loss of their job.

Right now things like noodles, fruit juice, squash, fizzy pop, sauces like ketchup and mayonnaise, pickles and tins, including of meat and fish are needed as are the little indulgences we all need, like a sweet treat at the end of the day or a biscuit with a cup of tea! We hope you will be able to help!

Please refer to the link www.reachhaverhill.org.uk/harvest on items, which are very much needed.

FORTHCOMING EVENTS

Others will follow but I know lots of you will want to get these onto the calendar as soon as possible. The team and I are continuing to add to our schedule with special days, visitors and trips, including some additional 'share' opportunities - we will keep you posted!
